The last days of the old Gar-Field.

PEOPLE 38

The first day of school is usually exciting, but this year the situation was different. A-Shift arriving at 6:30 a.m. and B-Shift departing at 6:00 p.m. put a different outlook on students and their school lives. School opened Monday, August 28th. As always, confusion was throughout the school. Schedules were submitted in the cafeteria this year as opposed to receiving them in first period classes as in previous years. Rows and rows of students awaited their schedules in the intense heat with patience. This was the first day of the two month life remaining to the old Gar-Field.

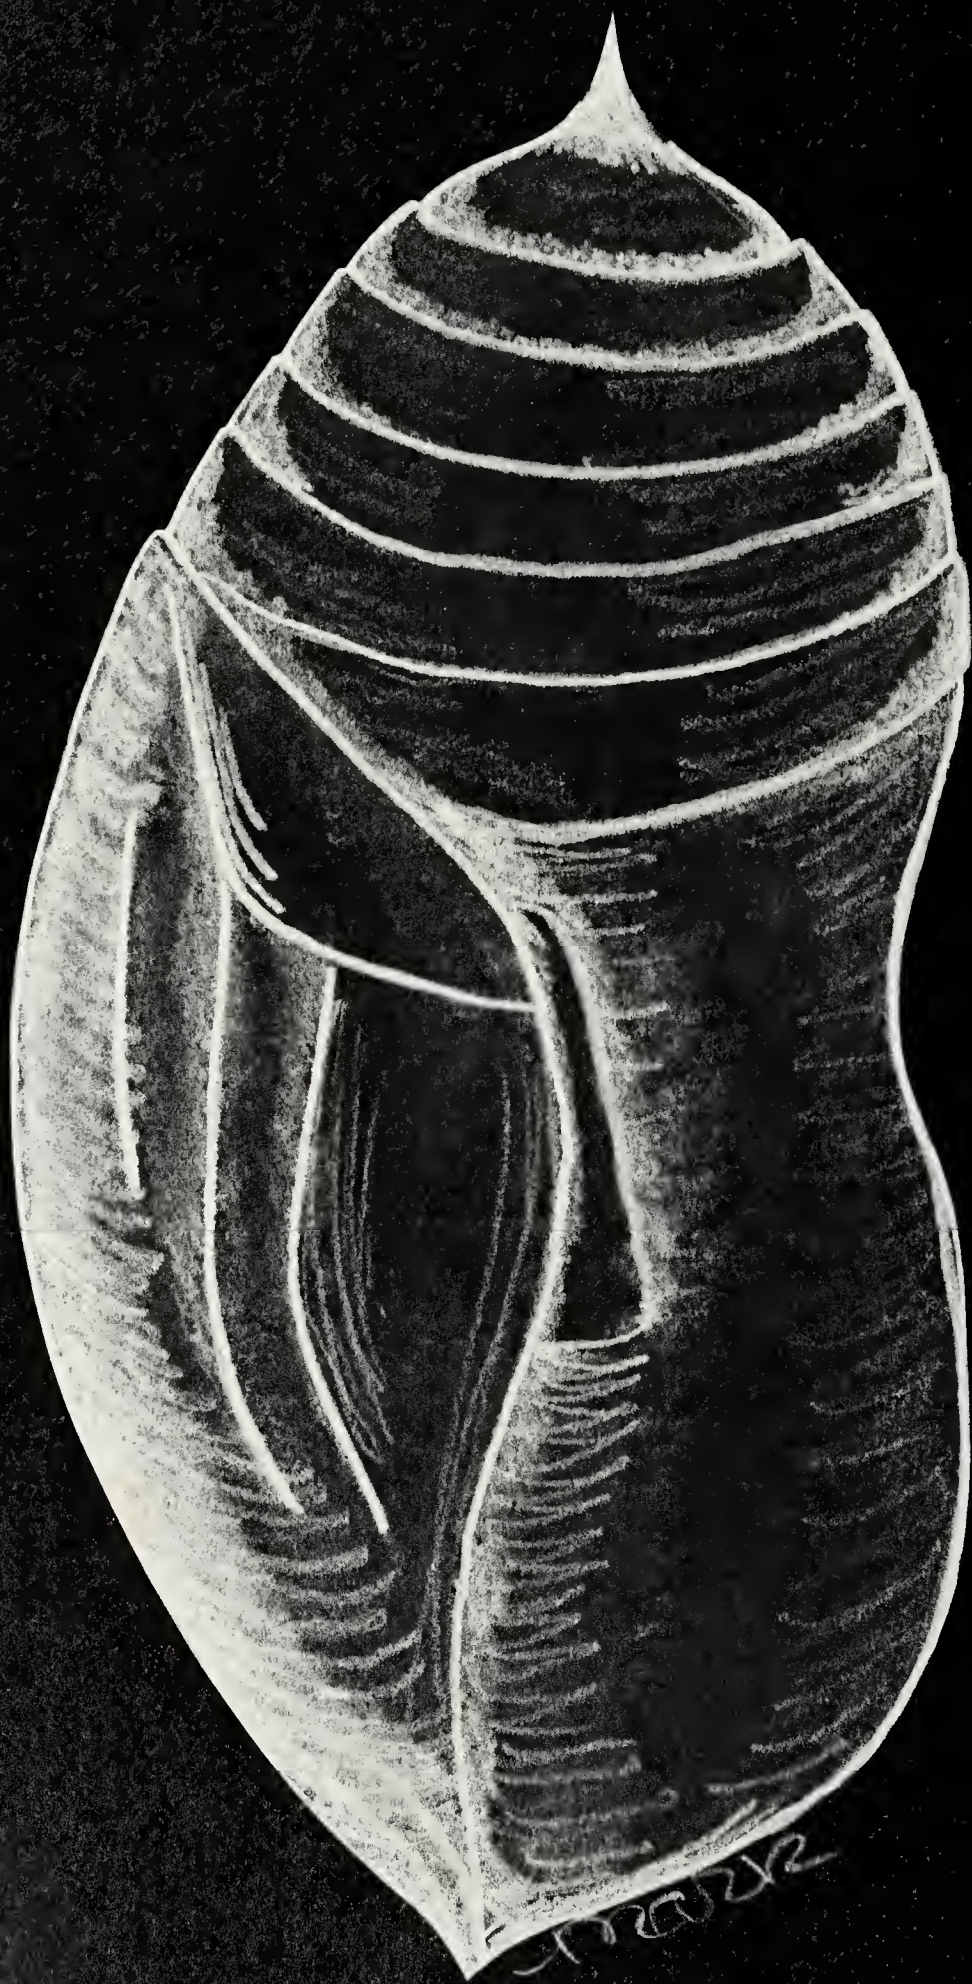

Students wait for schedules in cafeteria.

Mr. Larson conducting his government class.

Approximately 2600 students were enrolled this year with 1300 students on each shift. Conditions were near to unbearable. Classrooms were greatly overcrowded and the student body as a whole was very depressed and carefree. Complaints of grades going down seemed to be the chief discussion. With the library being moved to the new school, history classes were conducted in the library of the old school. As many as five classes were combined together every period with all classes working on identical study concepts. All classes in general ran smooth, but students morales were very low as everyone awaited the opening of the new Gar-Field.

HAPPENINGS

PEP CLUB

Mr. Szymonski aids in getting the pep club started.

Mr. Szymonski, the sponsor of the pep club, heads the first meeting.

The pep club was reorganized this year. Interest in this club had dwindled away in past years and finally last year was forgotten about. A few interested students held meetings before school this year and arranged for the club to begin again. A small fee was ask of the members who joined and thereafter every athletic event a member attended received points. This club has been a success this year and has helped to raise spirit at all athletic events.

PEP RALLIES

J.V. and Varsity Cheerleaders prepare for a cheer.

Students attend first pep rally of the year.

Two pep rallies were held this year. One pep rally was before the first football game of the year, and the other was before the rival football game against Woodbridge. These two pep rallies built school spirit up to an unbelievable level.

FOOTBALL

Touchdown for G-F.

Don Sears making his way up the middle.

G-F is impossible to pull down.

Don Newberry, head coach for Varsity football.

Mr. Newberry using modern communications on the field.

The Varsity Football team had a tough and hard season. They fought like warriors but ended with a 2 and 8 record. After the season ended, head coach, Don Newberry, hosted a dinner at Lazy Susan Inn in Woodbridge, for the entire team.

G-F receives a first down.

Jackie Johnson breaking his way through for a touchdown.

Varsity Cheerleaders wait anxiously for the team to enter on the field.

G-F fans cheer their team on to victory.

Varsity team stands tense for the last minutes in the game.

CROSS-COUNTRY

Cross-country runners practice for a meet.

This was the cross-country team's third year in AAA competition and by far the most rewarding. After placing 3rd in the District and Regional Meets behind powerhouses Handley and Woodbridge the determined harriers, under the guidance of Coach Harry Weinhoffer, advanced to the State Meet for the third successive season. Led by Jim McClure, Walter Jachimowicz, and strong running seniors Dave Nixon and Danny Hurley they far outshone their previous performances of 19th and 21st by capturing 9th place in a great team effort. Had number five man Gary Fravel not been knocked down during the race, the team would have finished considerably higher. In the process Jim McClure and Walter Jachimowicz were named to the All-State squad. The team is expected to be of invaluable aid during the track season.

IT'S ACADEMIC

The 1972 It's Academic team for G-F was Seth Brown, Bryan Piertz, and Craig Schlele.

G-F fans support our team at the studio.

This years It's Academic took place on September 9, 1972 in Washington, D. C. at the channel 4 studios. Our team came in third with 265 points. The sponsor for this years team was Mrs. Martin, an English teacher at Gar-Field.

STUDENTS

Students wait in long lines for lunch.

Students take part in the pep rally.

Mrs. Jones selling more schedules to students.

Varsity Cheerleaders show their spirit for the football team.

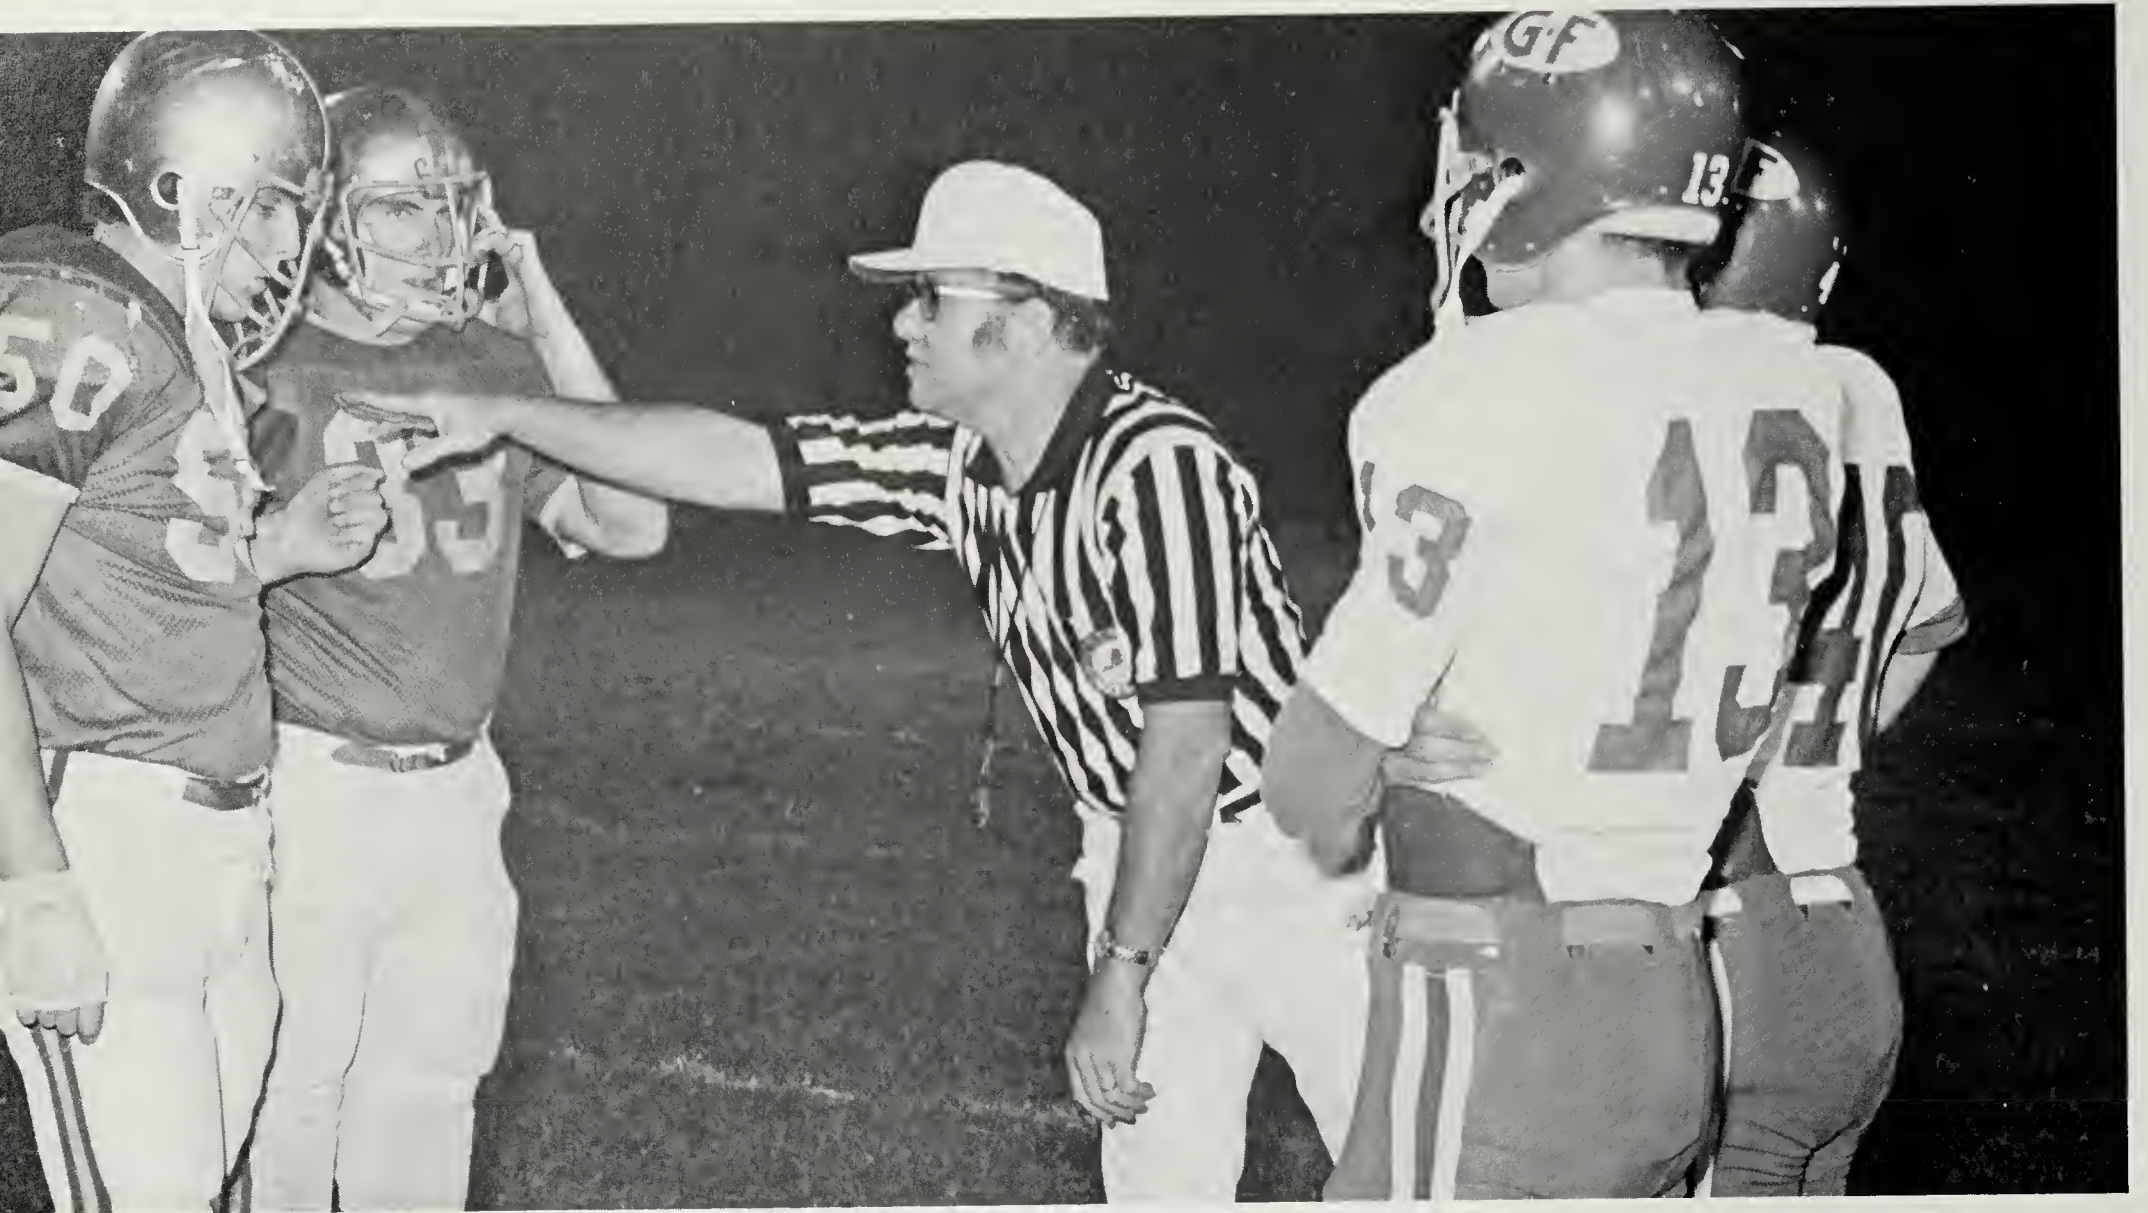

Students earning money for club activities.

Students returning to the locker room after gym class.

Gar-Field has students of all kinds. Everyone has his own interest. Some are active, others prefer to take it easy. But in whole, G-F people are happy people and that's how we like it.

HOMECOMING 1972

G-F and Osbourn team captains make a pack.

Varsity cheerleaders cheer team on to victory.

Cosmo Gooden runs with all his force for a G-F touchdown.

The Gar-Field Indians met the Osbourn Yellow Jackets this year for Homecoming. The game was played on October 13th. The team captains for Gar-Field during this game were seniors Dale Jones and Jim Ferraro. The final score of the game was 10 to 12, Osbourn's favor. Disappointment spread through the stands after the defeat, but G-F did not give up spirit for their team.

The Starlights provide music for the dance.

The Homecoming Dance has a good turnout.

The month of October is busy for Gar-Field because of Homecoming. This year's Homecoming honored the Class of 1967. Process for choosing princesses begin early in October when two girls from the underclassmen grades and three girls from the senior class are chosen to represent their class for Homecoming. Representing the Freshman Class were Joyce Gilbert and Karen Smith. Representing the Sophomore Class were Pam Anderson and Heidi Tuttle. Representing the Junior Class were Toni Nocifora and Kay Tyrrell. Representing the Senior Class were Sara Cogan, Robin Dean, and Kittie Folks. Each princess was escorted on to the field by her father and after the crowning of the queen were driven to the visiting side in convertible cars. The 1972 Homecoming was a great success and a memorable night for the princesses on the court.

The football season of 1972 was even more exciting than usual, because all of the home games were played in the big beautiful new stadium. Everyone turned out to support the football team during a rather tough season. The team got off to a rather slow start, but fought long and hard during every game, and their determination always showed through. The guys really pulled together and fought for every point, but the new stadium, the cheering fans, and the perseverance of the team did not seem to be enough to make a winning season. The final record was 2 and 8. The Indians built up their momentum by trampling Stonewall and then went on to win the most important game of the year, the "Gar-Field vs Woodbridge" game. This victory greatly made up for the other disappointments earlier in the season. Even though the team did not do well as far as points go, they made a terrific showing of

The victor's head is crowned with glory
Because he o'ercame all,
The man who came across in second
Not always stands so tall.

Why most the men who comes in second
Be always marked a loser,
Why do the eyes of men look down
And say he gave not all.

If man gives all his effort,
What more can people ask?
Can he take from what is not
And still complete his task?

God gave us all ability.
To some he granted more.
A winner uses all he has
And has to give no more.

This year Girls Basketball was more exciting than ever as both our teams strove for better season records with Varsity having a final record of 10 wins and 3 losses and J.V. having a final record of 9 wins and 4 losses. This season brought out the true competativeness of our G-F girls as we battled it out in the tournaments. Although we lost to our rival, Woodbridge, we emerged 2nd in the county but first in spirit. Excellent coaching by Mrs. Lockett and Miss Smith, the aid of the ever dutiful managers, and the talent of the athletes, made the season both thrilling and successful.

Susan Ritts enjoys the traditional pie in the face from the junior to the senior cheerleaders.

Jennifer Price says a small prayer for the team.

Susan Torrice raising spirits in the crowd.

The Varsity Cheerleading squad consists of nine girls. Four seniors, four juniors, and one sophomore. These girls have worked and slaved this year for the Varsity teams they cheer for. They spend their own money for small gifts for the teams and put endless hours of hard work into posters for boosting school and team spirit. They prepared two pep rallies during football season which lifted school spirit tremendously. Their hard work and smiling faces make Gar-Field a better place to be.

This year the Junior class started off early with bake sales and a car wash to earn funds for the first prom to be held at the new Gar-field. They worked hard on their float to place in competition for the twenty-five dollar prize for the best float, but did not receive it. During spirit week for the Woodbridge game they showed much spirit in decorating the gym. The Juniors will be the second graduating class from the new school, but will be the first class to complete a full year in the new school.

Wow! That Freshman year was wild!
But, they made it to that slightly less
than glorious level more commonly
known as "upper lower classmen" — Sopho-
mores! Sounds great! Feels great, too!
Our Sophomores started their second
year off with a fine display of
enthusiasm when they entered
an original float
in the annual Homecoming events.
Later, our traditional Spirit Week
approached and they came through again
with highly spirited decorations in the
lower hall. Spring brought the annual
beauty contest and with it, a big
success for the Sophomores. Their kind
of spirit is a resounding example
of ingenuity, hard work,
and lots of team effort.

FRESHMEN

This year's Freshman class is the largest class ever in the history of Gar-field, with almost a thousand students. This class shows enthusiasm towards the new concept of high school. Like every Freshman class it takes a while to accomodate to the new surroundings and atmosphere that they are presented with here at G-F, but they'll soon be just as active as the preceding classes.

Joyce Gilbert and Karen Smith are princesses representing the freshman class for homecoming.

Beth Bailey, Michele Havener, and Christina Brown talk over conditions in the old school.

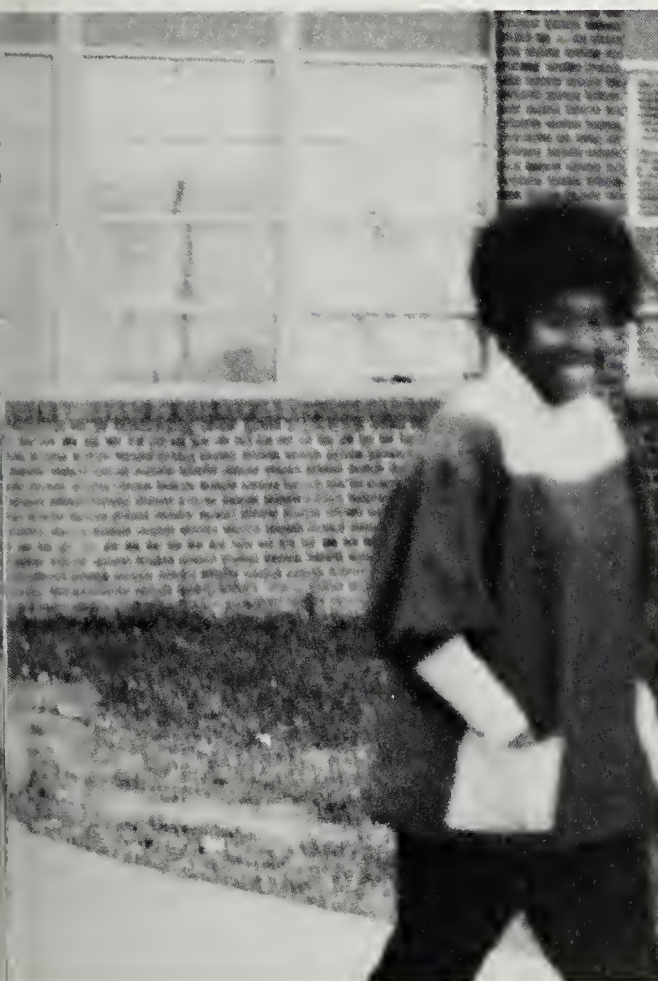

Janie Powell giving her views of the old school to Rhonda Kotelly and Elaine Robichaud.

As Thanksgiving holiday approached, final plans were put into affect for the move to the new school. Teachers as well as students worked from the beginning of November packing books and moving furniture. Hildrup Transfer and Storage Co. handled the move and had vacated the old building by November 25th. The last week of school before the holidays was confusing. Classes were disrupted by the move and students were everywhere. Some happy, some sad from sentiment, for this was the last week of life remaining to the old Gar-Field.

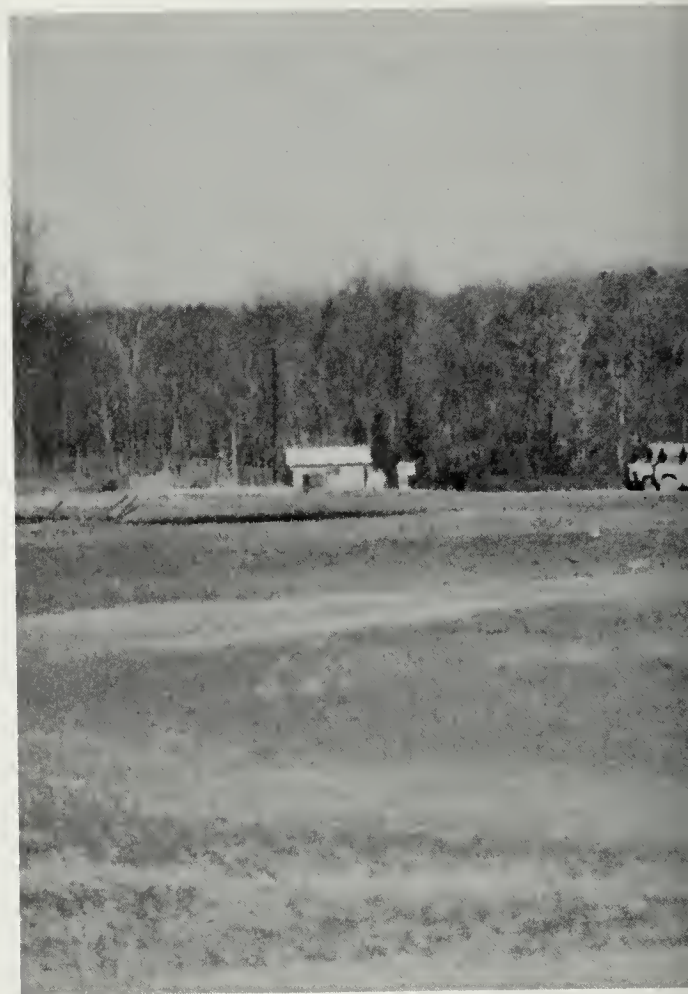

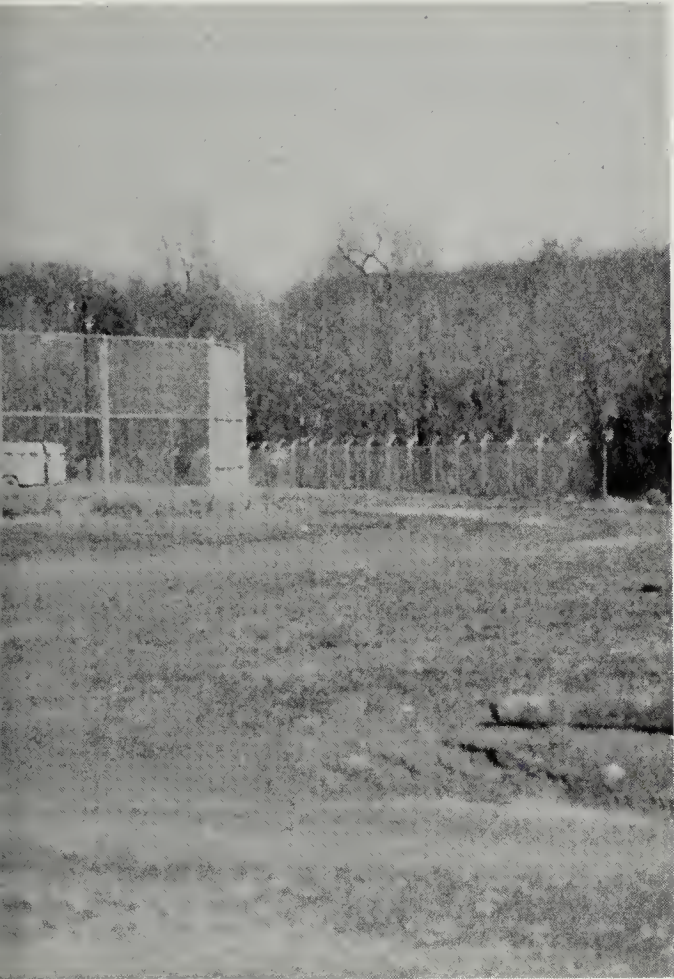

Students try to work during the move to the new school.

Students leaving school the last day before the holiday with mixed emotions.

Move in date was set for November 28th. There was much to be done before the move. Student tours had to be conducted in the new school, arrangements for the move had to be finalized, student schedules had to be rearranged, and the most important, A and B shift had to be united together. Bus schedules had to be arranged for the added stops, and parking permits had to be issued to the students. For many, the last days were busy, but for some, memories of the past prevailed until closing of the last day.

The student parking lot at the old school.

Sections of the office in the old school.

Nearly twenty years have passed since Gar-Field High School first opened her doors to welcome those seeking educational fulfillment. November 28th marked the beginning of a new era as well as a new form — more stately and more beautiful — for Gar-Field High School. The memories of those twenty years remain forever embedded in the minds of all who entered her halls. But as those memories fade gently with the passing years, today's happenings will be tomorrow's memories, and so on into eternity. And though she may take new forms from time to time, Gar-Field will remain alive and strong as long as her students and faculty of today and tomorrow maintain her proud heritage set forth by those of preceding years.

Memories — the echoes of our mind — eventually fade with the passage of time and may seem forever lost until we are suddenly faced with some nostalgic vision that brings forth the recollection of that which has been forgotten.

The new school opened November 28th. The split shift, dawn to dusk school hours were finally over for Gar-Field. The school day begins at 7:45 a.m. and ends at 2:30 p.m. The student tours conducted before the opening of the new school had apparently been successful because students seemed to know where they were going. The attitudes of the faculty and students seemed to change as everyone began to enjoy the comforts of a long awaited blessing.

A classroom in the English pod.

The media center proves to be the center of all attractions.

As the weeks passed, the new school became more like home. Traditions from the old school were carried to the new and students began to function as usual. A new atmosphere was formed. Music in the halls and media center and carpet throughout the building made school a happier and better place to be. The conventional school day is over. Now we learn in a new method and in new surroundings both working together to build a stronger and better society.

HAPPENINGS

BASKETBALL

G-F tumblers practice cartwheels for routines.

Shelia Weedon displays one of her many talents on the uneven parallel bars.

Kathy Clement has excellent balance on the balance beam.

Shelia Weedon flips for joy.

Newcomer, Paula Girven, exhibits fine routine for the judges.

SENIOR TEACHING DAYS

Once again the seniors took over the responsibility of running the school for two days. As every year, the seniors had their problems, but as a whole the two days went very well.

Barry Beadle substitutes for Mr. Young during senior teaching days.

FHA is a national organization of girls and boys studying home economics in Junior and Senior High School of the United States and throughout the world. Their goal is to help individuals improve personal, family, and community living. The Gar-Field Chapter has carried out many different activities, such as, canned food drives for the poor, cookbook and placemat sales, bake sales and field trips.

The Gar-Field Chapter of the Future Business Leaders of America has contributed greatly to the business world. The club enables you to develop leadership, increase your knowledge and skill in business, and enables you to serve your school and community financially and socially.

R.A.P. is a newly organized club which stands for Reassessment of Attitudes and Personalities. The purpose of this group is to facilitate inter-student communication through group discussions and activities.

The activities of the Foreign Language Clubs are very diversified and exciting. The Spanish Club sponsored a trip to Madrid, Spain and its glorious surroundings. The members co-operated with the Spanish Department in welcoming to Gar-Field the famous singing group from Madrid, "La Tuna." They also had a traditional Spanish Christmas Party with a pinata.

The French Club went on a field trip to Chez Andre in Arlington, Va. They also had a Foreign Language Banquet.

The Latin Club encourages both cultural and social activities. The cultural activities include speakers and field trips in conjunction with classroom pursuits. The social activities were a Christmas part, a spring picnic, bowling and skating. One of the major activities of the Latin Club was a ten-day tour of Rome.

This is the first year Gar-Field has had a German Club. The club attended the "o oktoberfest" at the German Children's Orphanage in Upper Marlboro, Md.; gave a "laffe-Klatsch" for their parents; attended a national Federation of German students concention in Md.; and took a trip to the Pennsylvania Dutch country.

The Marching Band has participated in local and nearby parades and provides the half time entertainment for the football games. This band has won several awards and trophies for outstanding performances. you can give me a job as a fashion editor! But of course you'll take a minor in French. Have fun at college & have a nice summer!!

The Symphonic Band is a select group of young instrumentalists chosen by audition. They received a "Superior" rating in Grade 5 music at the 1972 festival.

The Concert Band consists mainly of students with limited experience and are mostly freshmen. This band received a rating of "Excellent" in Grade 3 music at the 1972 festival.

The second year of the Indianette Drill Team proved to be a very rewarding and exciting experience. With the help of the band, the Drill Team performed for half time during football season. Participation in the Springfield Christmas Parade, with the reward of the second place trophy, was an extra highlight to the continuing activities. This year, wrestling and indoor track seasons were added to the busy calendar for the drill team's activities.

The Student Government Cooperation has been very helpful this year. They provided the Freshman Orientation this fall for the incoming freshmen and new students. They also provided tours of the new school for all students so the students could get acquainted with their new surroundings and classes. The S.G.C. bought a Marquee for the new school which is used to announce any school events or happenings. The members and officers of this Government work closely with the administration to try and help relieve some of their problems. They formed committees to help with the everyday problems of a school. Some of the committees are; Building and Grounds Committee, Student Commons Committee, Student Activity and I.D. Committee, Intramural Committee, and Cafeteria Committee.

The Mu Alpha Theta is a math honor society. This club is based on scholastic achievement and the members must have a "B" average in Math and an overall "B" average in his other subjects to be asked to join. This club provides many interesting field trips and activities.

The Photography Club has been organized at Gar-Field for two years under the sponsorship of Mr. Barrett. The purpose of the club is to give interested students an opportunity to process film which they have exposed. The students also develop skills in darkroom techniques and special photographic processes. Every year the club holds a Spring Photo Show at Gar-Field. Students from throughout the area have an opportunity to enter and receive prizes.

The Pep Club was more organized this year and promoted a great amount of school spirit. These people were behind the Gar-Field Indians all the way and showed it in their support. They were also in charge of Homecoming half-time activities which proved to be a great success and very enjoyable.

The Girl's Varsity Club helps at most of the sport events at school and operates the school store. They also help with Physical Education at Triangle Elementary and Graham Park Schools. They also provide a Food and Toy Drive for a needy family.

The members of the G-F Club must have earned two varsity letters to enter this club. The club holds a candy sale yearly to raise money for a club scholarship given in memory of A. T. Howard.

The Key Club has been very active in the activities at school this year. They provided the wood for the Bon-Fire and the clean up detail. The boys in the club work in close association with the Kiwanis Club and they also provided a flag plaque for the lobby of the new school.

The Chess Club is dedicated to the development of Chess, and other strategic games for recreational purposes and as a competitive sport. The games played include Chess, 3-D Chess, Contract Bridge, and war simulation games. The Chess Club has adopted a totally democratic system of club rule in order to promote a more honest system of gamesmanship.

The INDIAN ECHOES staff tried to make this year the best one for the yearbook. Faced with financial and publication problems, the yearbook staff never quit. Under the direction of Co-Editors Christina Brown and Rita Thomas and Advisor Miss Bea Pickens, this has to be the best yearbook for Gar-Field in years. There are color pages which are new to the book, and the different concepts of the new school are shown through the various pages of the book. Just as the New Gar-Field Senior High School gets better so does the INDIAN ECHOES.

Mr. Vestal, Delmar Representative.

The INDIAN SCRIPTS staff this year strove to build for the future without sacrificing the present. Hampered by the total loss of last year's staff due to graduation, thirty students, mostly sophomores and juniors, were handed a most difficult task and through hard work and newly acquired skills produced a surprisingly successful publication.

Inheriting a large debt, the staff sponsored several projects including a rock concert and drawing which helped the newspaper to be both a monetary and artistic success. The Christmas issue, which featured many pictures and articles on the new school was the largest in the paper's 37 years and was bought by more people than any other.

Due to the solid foundation and high level of journalism attained by this year's staff, the future of the newspaper looks much brighter. The interest and enthusiasm shown by the student body has made the INDIAN SCRIPTS more than ever a prominent part of Gar-Field High School.

great editor!
Best of luck!

Debate is a Forensic activity in which the students discuss various academic topics. The team also attends tournaments where they compete with other Virginia High Schools throughout the year.

The purpose of the Science Club is to learn about science careers, and the opportunities, responsibilities, and important role science plays in our democracy. The Science Club gives a \$100 scholarship to a needy Senior who is going to major in a field of science in college.

The Drama Club, sponsored by Mill Ella Poindexter, puts on two plays a year for both the student body and the public. The club's annual three-act play this year was "Rosencrantz and Guildenstern Are Dead." The one-act play, which is put on in Charlottesville for state competition was entitled "Next." The members of this club are trying to make this the best year for Miss Poindexter as this is her last year as drama coach.

VARSITY BASKETBALL

The basketball season for 1972-73 provided for the type of invigorating entertainment that comes from watching a young team shed its inexperience, and become tough challengers. The team this year, under the capable leadership of Coach Paul Scott, began with a rather weak season. This is partly due to a loss of strong players, and the necessity of building a new starting line-up. This extremely difficult obstacle however, seemed to be quite easily overcome. The team came back stronger than ever only now it was a much younger team. These guys took on all challenges the sport could offer and ran away with them. They played fantastic games and their performances were outstanding. The climax of the season came when Gar-Field played Woodbridge for the final time of the season. Gar-Field's game was excellent, and the fans were filled with so much spirit that the gym practically exploded. The Indians scalped the Vikings with a score of 76-57. The final season record of the team was not outstanding but neither was it indicative of the great handling of the game that was displayed throughout the season. The final highlight of the season came in the tournament when Gar-Field, the last ranking team, lost to Stafford, the first place team, by only one point.

They took the number one slot in their first non-invitational meet and the runner up spot in their next two tri-meets. At the D. C. Invitational G-F finished second out of approximately 20 schools, missing the team championship by only three points. The team's one-mile relay had fine performances through the season and were invited to such meets as the CYO Indoor Invitational in Maryland, and the VMI Winter Relays where they both placed very high. At the District Meet Gar-Field placed a strong second and advanced ten men to the Regionals where they placed third. At the State Meet G-F placed tenth with over 60 schools competing. Two fine individual performances were by Dale Jones, who placed 4th in the long jump, and Walter Jachimowicz, who placed 2nd in the mile run. During the course of the season 14 school records were broken.

This is the second year that the G-F matmen have won the Commonwealth District trophy. The team really showed a lot of determination and showmanship. The matmen could have never won the district championship without the supervision of their fine coaches, Coach Duncan and Coach Weinhofer. All ten of the varsity wrestlers went to regional. Jay Alvey was the only grappler who captured a first at the regional tournament. The matmen did exceptionally well, but fell short of first place behind the North Side Vikings. Next year the G-F Matmen will stop at nothing to be both District and Regional Champs.

ATHLETICS AT GAR-FIELD

FACULTY

ADMINISTRATION

The administrative staff of Gar-Field has the responsibility for the entire program for the school. Their responsibilities have been divided among the five members of the staff.

As principal, Mr. Samuel Cox is responsible for the total school co-ordination. In addition, he supervises the English and Social Studies departments; he interprets the program of the school for the community; he supervises the total staff relations.

Mr. George Clark, Dean of Administration and School G, is responsible for all instructional supplies and equipment. He supervises the vocational departments; he is supervisor of the clerical person, substitute teacher program, and food services program.

Dean of Instruction and School F, Mr. Frank Parker, is supervisor of the Mathematics department; he is responsible for all attendance records; he supervises the student teacher program and the adult education program.

Mr. James Gerhard, Dean of Student Affairs and School H, is responsible for all student government and club activities, the intramural program, athletics, and student publications. He is responsible also for the student bus service and student-teacher-visitor parking. Mr. Gerhard supervises the curriculum of the following department: Health and Physical Education; Drivers Education, Music, and Art.

As Dean of Community Affairs and School S, Mr. Robert Young is responsible for the school visitation program and for all community relations programs including the Parent Volunteer Program and Teacher Aide program. Because of the complexity of this job, a special office headed by Mrs. Jackie Dodge has been established. Mr. Young supervises the Science, Foreign Language, and Special Education departments as well as the school's homebound instruction program. He is responsible for school maintenance and buying of supplies and equipment.

GUIDANCE DEPARTMENT

The Gar-Field Guidance Department believes that its purpose is to serve each student in the school. Students are divided alphabetically between the six counselors for routine purposes. Each counselor tries to see every student at least twice during the year.

For personal counseling, we maintain an open-door policy so that each student may talk to the counselor of his choice.

Mrs. Jones answers questions for one of Gar-Field's students.

Mr. T. Shutt, Mr. F. Wafle, Mrs. H. Parr, Miss M. Young, Mr. A. Longacre, Mrs. J. Jones.

MEDIA CENTER

The Media Center, located on second floor, is responsible for supplementary materials and equipment for use in the instructional program of the entire school. The holdings as to materials consists of 18,120 books; 1,294 filmstrips both mono. and stereo; 85 periodicals and 4 newspapers. The center seats approximately 300 students.

The Media Specialist is responsible for all audio visual equipment in the building whether used in the center, in various instructional pods, or in the technical materials center on the first floor.

The center strives to be the lifeline of the curriculum, extending from the needs and desires of the students and faculty to their fulfillment in a well-rounded versatile source of materials and services.

ENGLISH DEPARTMENT

The English studies at Gar-Field are geared toward helping the individual realize his role in a changing society. The curriculum is designed to give the student more freedom — freedom with responsibility. Within the framework of individual responsibility and freedom, the students choose from three types of study — broad thematic units, independent study, and traditional studies. Freshmen and Sophomores are locked into a traditional course for at least one quarter each year to insure the learning of basic fundamentals in grammar, literature, and composition. To further meet each individuals needs, a developmental reading program is offered. The goal of the staff then is to provide a balanced English program to best serve each student.

English students find the Medi Center an essential part of their program.

FOREIGN LANGUAGE DEPARTMENT

The foreign language department has students enrolled in Spanish, French, German and Latin. Both French and Spanish offer courses through the fifth year level. Latin and German offers courses through the third year level.

We use audio-lingual teaching methods and texts. This method combines text and workbook exercises with listening and speaking drills on tape to provide the student with a complete language experience — speaking and listening as well as reading and writing. To enhance this program, we use films from the local embassies; song native to the foreign language, plays and stories written in the language.

The advanced levels in French and Spanish are taught in series of 6-week "mini-course". Areas concerning civilization and society, customs, history, literature, advanced conversation and advanced grammar are explored.

Foreign Language students spend much of their time in small groups practicing their new language.

The Science Department has a very challenging program for students interested in the area of science. Students are allowed to elect nine-week mini courses in a variety of areas of interest. Among them are the following: Introduction to Science; Nuclear Chemistry; Consumer Chemistry; Applied Chemistry; Electricity and Magnetism; Mother Earth Has a Black Eye; and Space Science. Students also have the option of choosing a 36-week traditional program.

Science students spend time in small group lectures and discussions as well as in the laboratory.

BUSINESS DEPARTMENT

SOCIAL STUDIES DEPARTMENT

Mr. W. Bailey, Mr. R. Barnette, Mr. M. Campbell, Mr. K. Darrough, Miss P. Davies, Mrs. B. Davis, Mr. B. Grier, Mr. P. Larson, Mr. B. Lookabill, Mr. J. Mabry, Mr. R. Moore, Mrs. J. Polk, Mr. J. Sullivan.

Social studies is the study of man's social relationship in all their variations, both past and present, and draws its substance from the discipline of anthropology, economics, geography, government, history, sociology and social psychology. Man's physical environment and his psychological and biological make-up are considered to the extent that they help explain these social relationships.

Two major components of the social studies curriculum at Gar-Field are the World Studies and American Studies programs. World Studies incorporates World History and World Geography. Most students enroll in World Studies during the freshman or sophomore year. Students may elect two units of World Studies, but only one credit is required. American Studies encompasses United States and Virginia History as well as United States and Virginia Government. It is a required two year course. Most students enroll in American Studies during the junior and senior year to earn two required credits.

MATHEMATICS DEPARTMENT

Mr. P. Chasteen, Mr. W. Davis, Mr. R. Fitzgerald, Mr. N. Good, Mrs. O. Hight, Mr. R. Howard, Miss M. Manning, Mr. H. Mattice, Mr. H. Partridge, Miss B. Pickens, Mr. R. Rowson, Mrs. K. Scott, Mr. P. Scott, Mr. E. Tucker, Mrs. C. Woods (Student teachers pictured: Miss B. Bradley, Mr. Steve Herl).

To individualize learning, the Mathematics Department has developed a continuous progress program. It is a personalized learning plan for each mathematical concept in Algebra I, Geometry and Algebra II. The minimum course requirement for each course includes approximately forty concepts.

Each concept consists of the following: a) the concept title and a list of objectives to be learned; b) a list of suggested activities and resources to help students achieve the stated objectives; c) a self-evaluation to let students determine if they are ready for the post-evaluation; d) a post-evaluation to measure the achievement on a certain concept; and f) in some concepts, a quest activity for those who may wish to examine the concept in more depth.

Mr. Partridge works with one student while the remainder of the class works on their concepts.

MUSIC DEPARTMENT

The music department has increased in numbers of interested students as well as in the variety of course offerings. Now available are vocal and instrumental ensemble periods which involve working in small groups and sectionals to better technique and tone while to better develop new facets of music. There are BEGINNING groups for singers, instrumentalists, and pianists to set forth the basic elements of each area and to prepare the student for more advanced classes such as Concert Choir, Vocal Ensemble, Orchestra, Symphonic and Concert Bands. Two years of theory are intended to meet the needs of those interested in creating original music by learning the hows and whys of composing. Plans for the near future include expansion of performing groups, the development of music history and listening classes, and independent study in the areas of composition, piano, voice, and instruments.

Mr. Council works with a small vocal and instrumental ensemble.

Mr. J. Council, Mr. E. Jones, Miss C. Prince, Miss N. Scripture.

ART DEPARTMENT

The Art program is divided into nine-week courses which provide them the opportunity to work in a variety of media. The courses include the following; painting, drawing, graphics, ceramics, sculpture, textile arts, film arts, commercial arts, jewelry, design, and crafts. The department sponsors an annual Spring Art Show in the second semester.

COMMUNICATIONS

Communication is an area of Industrial Arts dealing with Electricity, Electronics, Drafting, Printing, and Photography.

The Electronics program has shifted emphasis toward a more practical type of experiment. Students will have experimental activities which lead to work on radios and televisions. Clinics will be helped periodically on such electronic devices as eight-tracks, cassetts, and stereos. The students taking electronics will be able to take part in their "fix-it" activities.

Graphic arts and photography are offered in a single unit, rather than as two separate courses. The new equipment in these areas is one of the most visible changes. Activities such as personal stationery, Christmas cards, decals, and note pads are offered. Production printing is also emphasized.

Drafting facilities at this school allows the department to expand the types of activities the students do and to handle more students. Activities added are model work, and precision measurement.

Further courses are offered in the Communications Pods. The first level, or "Pretechnical" courses in each area are Electronics, Pretechnical level courses, the students may decide to take a second year of Vocational level courses.

MASONRY

The masonry department is designed to prepare students for futures in bricklaying. A bricklayer must learn to mix and spread different kinds of mortar, to read blueprints and plans, and to handle many different types of masonry units. He will work on exterior and interior walls, on floors, patios, walks, columns, doorways and window openings. Modern masonry design frequently calls for him to handle special equipment such as welding tools, power-driven masonry saws and corner poles, in addition to the age-old tools of the trowel, brick hammer, level and plumb bob.

FOOD SERVICES

This two-year course was designed in response to the needs of junior and senior students interested in quantity food productions, service and management and who seek a career in the food service industry.

Students learn the principles of food preparation, the use of commercial kitchen equipment and modern food production methods. Practical experience is obtained through catering luncheons, dinners and receptions for various student, faculty and civic organizations.

LPN

The Prince William County School Board and the Prince William Hospital jointly sponsor this program here at G-F. The purpose of this program is to provide qualified applicants the opportunity to train in a field which provides a needed service to the community. The program is primarily for high school seniors but adults are accepted as class size permits. The course is eighteen months in length with the first half (the preclinical experience) taken here at G-F during the school day and the second (clinical experience) taken at Prince William Hospital, Manassas from June to March after graduation. Students who satisfactorily complete both the preclinical and clinical phases of this program may apply to the Virginia State Board of Nursing for permission to take the examination for the practical nursing license.

High School seniors also receive three credits toward their high school diploma, upon satisfactory completion of the preclinical phase. Upon satisfactory completion of the whole 18 month course, each student will be awarded a certificate by the Prince William County School Board.

VOCATIONAL EDUCATION

HOME ECONOMICS

The Consumer and Homemaking Education prepares students for the vocation of homemaking, with emphasis on consumer problems.

The stated areas of instruction are: Consumption of Goods and Services in the Family; Management in the Family; Individual Development in the Family; and Cultural Development in the Family.

Capsule areas within each stated area are: the Individual and the Home; Foods and Nutrition; and Textiles and Clothing.

The capsule is a short guide for independent study which follows through to evaluation and application of knowledge.

COSMETOLOGY

In the ICT work-study program, students attend school one-half day and work in the community the other half. Each student must acquire 540 hours of on-the-job training in the occupation of his choice. Two credits are given each year for ICT.

DE

This series of courses is designed to prepare students for entrance level employment in the field of Cosmetology. Students enter this course in the tenth grade and must complete a three-year-program. The course covers pedicuring and manicuring; shampooing and rinsing; permanent waving; scalp treatment; hair shaping and styling; hair coloring and bleaching; skin care and make up; and salon management.

ICT

The DE staff teaches all levels of Distributive Education with the addition of a class in Fashion Merchandising.

DE cooperates with local merchants and businessmen who hire and train our students in the area of retailing wholesaling and service businesses. The department is trying to bring the school, student, job and employer closer together in a more meaningful relationship for all concerned.

The Physical Education Program at Gar-Field is divided into a Four Phase Program. The four phases of the program are: 1) Required Freshman Health and Physical Education; 2) Required Sophomore Health and Physical Education; 3) Elective Program or students who have completed phases one and two; and 4) Physical Education Aide Program. In each phase, physical education consists of the following graduated skill development areas: team sports, individual and dual sports, rhythms, recreational activities, and class organization and testing.

Another aspect of the total physical education program is an adaptive physical education program which crosses all phases of the program. It is designed for any student who may need special assistance in the learning of a permanent, may work more effectively and efficiently in this type of program. A student may enter this program for a short period of time, or remain for an entire phase of instruction.

Terri Winchester — Sports Editor.

We would like to thank the following people for their aid in putting this yearbook together.
Mr. Ausley for the use of his airplane to take the pictures for our cover.
Mr. Vestal for his never ending patience and knowledge in this yearbook.
Potomac News for supplying us with the majority of our pictures.
Mr. Ponstingel for the use of him and his picture developing equipment.
Mark Riley for his ingenious design on our divider pages.
Miss Pickens, our beloved sponsor who has done more than equal to publish this yearbook. Thank you!

A NEW LIFE.

A NEW BEGINNING.

A FORM EXPANDING TO CHANGES

AND NEW FREEDOMS.

IDEALS AND HOPES

OF TWO SEPARATE PARTS

FORMING HARMONY TO BECOME ONE,

AS EACH INDIVIDUAL

LEAVES WITH MEMORIES OF THE PAST.
